JENNY BOUCEK
HEAD COACH

On January 20, 2015, Jenny Boucek was announced as the head coach of the Seattle Storm, the fourth head coach in the history of the franchise.

Boucek led the 2015 Storm team to a 10-24 record. In what was admittedly the start of a franchise rebuild, Boucek's roster featured three true rookies in Jewell Loyd, Kaleena Mosqueda-Lewis and Ramu Tokashiki. The team finished 5th in the West and did not qualify for playoffs, which led to the franchise securing the first pick in the 2016 WNBA Draft.

Boucek spent four seasons with the Storm under the leadership of Agler, rejoining the defending WNBA champions in 2010 as the Director of Player Development and Scouting. She was promoted to associate head coach prior to the start of the 2014 season.

Boucek has been involved in the WNBA since it's inaugural season, suiting up for the Cleveland Rockers in 1997. Following a career-ending injury in 1998, she began her WNBA coaching career as an assistant with the Washington Mystics in 1999. She then spent three seasons, 2000-02, in the same capacity with the Miami Sol. Boucek enjoyed her first stint in Seattle on Anne Donovan's staff from 2003-05, a span which included the franchise's first WNBA Championship in 2004. Her first stop as a WNBA head coach came in Sacramento, leading the now-defunct Sacramento Monarchs to a 40-41 clip over two-plus seasons, spanning 2007-09.

Notably respected as one of the top coaches in the league, Boucek has spent much of her career as a student of the game. She served as an advanced scout with the Seattle SuperSonics, and more recently, had full access to Dallas Mavericks Head Coach Rick Carlisle's training camp in September and October of 2014. She was involved in all coaches meetings, film and practice sessions and player meetings.

Boucek also played in Iceland in 1998 and was voted the country's best player after averaging 23 points, seven rebounds and six assists. She returned to Cleveland for the 1998 season but was forced to retire due to a career-ending back injury.

A four-year starter at the University of Virginia (1992-96), Boucek helped lead the Cavaliers to four regular-season ACC Championships and three NCAA Elite Eight appearances. She was a two-time GTE Academic All-American team member and two-time ACC selection. Boucek twice earned team Defensive Player of the Year honors and finished her career at Virginia as a member of the 1,000-point club. She also competed in the U.S. Olympic Festival in 1993.

RYAN WEBB
ASSISTANT COACH

2016 marks Ryan Webb's second season as an assistant coach with the Seattle Storm, and his 14th with the franchise. In his first season on the sideline in 2015, Webb's primary focus was player development. He worked extensively with guards Jenna O'Hea, Jewell Loyd and Kaleena Mosqueda-Lewis.

In addition to his duties with the Seattle Storm, Webb is involved with Point Guard College, a country-wide basketball program aiming at developing premier-level middle and high school athletes who aspire to compete at the collegiate and professional level of the game.

Webb, 31, spent the 2014 Storm season as the team's player development coach on Brian Agler's staff. His responsibilities included pre-practice and off-day one on one workouts, coordination with the strength and conditioning coach on implementation of creative drills and providing assistance with scouting reports.

From 2003-13, Webb was a constant at Storm practices, working his way up as a veteran practice player, and was named 'head practice player' during the 2013 season. He was in charge of ensuring the male practice player team was prepared to run scout offenses and defenses. Additionally, he worked as a coaching intern during the 2012 season, assisting former Storm head coach Brian Agler and then-assistant coaches Jenny Boucek and Nancy Darsch.

Working with Seattle-based Friends of Hoop from 2012-14, Webb oversaw player development trainings and coached various age group teams. He spent 2010-12 at A-Plus Youth Program as a life-coach, helping youth advance in the classroom and on the basketball court.

Webb's high school coaching experience ranges from 2010-14, with stops at Lakeside High School for two seasons as the men's basketball varsity assistant and at his alma mater, Mountlake Terrace, from 2013-14 as the men's basketball head junior varsity coach and assistant varsity coach.

As a DI player at Seattle University from 2002-07, Webb was named the 2007 Athlete of the Year following a 20-9 season and a league championship. A 2002 graduate of Mountlake Terrace High School, Webb resides in Seattle with his five-year old son, Myles.

LEAH DRURY
ASSISTANT COACH

On Nov. 4, 2015, Leah Drury was introduced as an assistant coach with the Seattle Storm, entering her first season on the sideline and second with the franchise. Her duties include assisting with player and team development and all aspects of game preparation.

Drury served as the manager of video & equipment during the 2015 season, and her duties included video exchange, film breakdown and overseeing all equipment distribution. In addition, she assisted with pregame scouts and preparation, and was the primary clinic coach for all Storm youth basketball clinics that the franchise ran throughout the season for local Seattle kids.

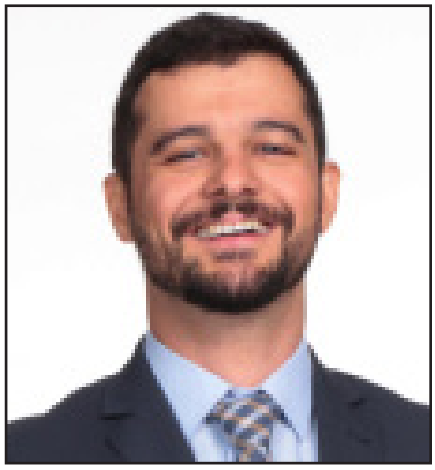
Prior to her time with the Storm, Drury served as the women's basketball head coach at Pensacola State from 2012-14, where she compiled an overall record of 22-34. She served as an assistant at Pensacola State from 2009-10.

As an assistant coach at Alabama from 2010-2012, Drury's primary focus on was on the development of the team's guards and game scouts, and other day-to-day functions included acting as a departmental liaison with the athletic department, overseeing team academics, recruiting, alumni relations and summer camps.

Drury served as a graduate assistant for two seasons, 2007-2009, at Alabama. Her primary responsibilities included editing game and practice film and film exchange. As a student-athlete, Drury went from being a walk-on to earning a scholarship and a starting role throughout much of her final two seasons. She led the team in assists as a junior, and was named team captain for her final two seasons with the program.

An active member in the community, Drury was named to the SEC's Community Service team as a senior. She graduated with a bachelor's degree from the Capstone in December of 2006 where she majored in sports and fitness management. Drury then earned her master's from Alabama in May of 2009 with a degree in sport management.

EMRE VATENSEVER
ADVANCED SCOUT



Currently in his second year as an advanced scout with the Seattle Storm, Emre Vatansever has spent the majority of his career coaching women's basketball in Turkey.

Vatansever graduated from Marmara University in Istanbul with a bachelor's degree in Physical Education and a Coaching Master's in basketball. For five years, Vatansever served as the Migros U-14 head women's basketball coach in the Turkish national league before moving to Euroleague's Galatasaray senior women's basketball team as assistant coach.

In his seven years with the Turkish national team, Vatansever helped lead the women's team to countless titles including, 2009 Eurocup Champion; 2009, 2012 Turkish President Cup Winner; Turkish Cup Winner for five consecutive years (2010-2014); 2011, 2014 Turkish Regular Season Champion; 2014 Turkish Basketball Champion; and 2014 Euroleague Champion.

Vatansever has also coached several prominent WNBA players, Diana Taurasi, Tamika Catchings, Lindsay Whalen, Sylvia Fowles, Tina Charles, Sophia Young, Shavonte Zellous and Katie Douglas. Vatansever's vast experience coaching in Turkey and his commitment to player and team development has made an impression on many of his colleagues and players.

"[Vatansever's] willingness to be in the gym and to work with players at any time was a sign of his commitment to a player's success," said Indiana Fever forward, Tamika Catchings. "He also provided in depth and useful scouting edits that prepared us well for our opponents. His knowledge, dedication and willingness to put in work was vital to the team's success."
